PAIN MEDICATION POLICY

Our primary FOCUS is to reduce your pain to a tolerable level over the short term (approximately two weeks)

The GOAL with this policy is to:

- (1) Educate patients that complete resolution of pain is not always possible.
- (2) And, to emphasize, as your surgeon, we assist with short term pain issues, not chronic pain.

Our patients should understand the following:

- No pain medication will be filled after hours.
- No pain medication will be refilled on the weekends.
- No pain medication will be refilled on holidays.
- If you need refills on pain medication please contact us during normal business hours.
- Advanced Surgical Associates, will not contribute or condone pain medication addiction or long-term usage.
- Effective October 1, 2014, drugs like Percocet, Oxycodone, Lortab, Norco, or Hydrocodone are Scheduled II narcotics and require hand written prescriptions with NO refills. Any need for prescriptions should be addressed during office hours. **We are no longer able to call in these medications under any circumstances.**
